Re: Event-Specific Report of Legal Name Change Pursuant to 17 CFR 39.19(c)(4)(xi) – CX Clearinghouse L.P. to Morton St. Clearing, L.P. (Derivatives Clearing Organization)

Dear Mr. Franklin:

Pursuant to Commission Regulation 39.19(c)(4)(xi), CX Clearinghouse L.P. (the "Clearinghouse"), a registered derivatives clearing organization ("DCO"), reports that it changed its legal name to **Morton St. Clearing, L.P.**, effective November 13, 2026. That regulation requires a DCO to report a legal name change no later than two business days after it occurs.

The name change was effected by the filing of a Certificate of Amendment to the Clearinghouse's Certificate of Limited Partnership with the Secretary of State of the State of Delaware on November 13, 2026, authenticated on November 17, 2026.

The Clearinghouse remains the same limited partnership and continues to hold its registration as a DCO under Section 5b of the Commodity Exchange Act. The change is not a transfer of the Clearinghouse's registration, open interest, or assets to another legal entity, and no request under Regulation 39.3(f) is required or being made.

The change is also not a change in ownership or corporate or organizational structure reportable under Regulation 39.19(c)(4)(ix).

The Clearinghouse's clearing and settlement functions, financial resources, risk management framework, governance arrangements, and clearing member obligations are unchanged by the name change. Positions, margin, and guaranty fund deposits carried for clearing members continue to be held by the same legal entity.

The following documents are enclosed and are described in the Schedule of Enclosures attached as Annex A:

Conforming amendments to the Clearinghouse's rules that replace references to the former name will be submitted separately under Part 40.
